CRAZY TOWN ROBIN DOOLITTLE

Praise for *Crazy Town*:

"Doolittle chronicles the investigations into Ford's misconducts with admirable journalistic rigor and fairmindedness...*Crazy Town* serves as a crucial primer as events continue to unfold."

—*Zoomer*

"*Crazy Town* is a fascinating read, offering an analysis of how someone like Ford could get elected and retain public favour. It's also an apologia for how journalists today do their work ... an extremely useful read as Ontario voters begin to head into a municipal election season."

—*The Waterloo Region Record*

"For anyone interested in finding out why Rob Ford is the way he is.... A wealth of information.... The book has a dramatic quality that makes it compelling."

—*Toronto Life*
