

NEW COVER TO COME

DECEMBER HARDCOVER REISSUE

In celebration of the **25TH ANNIVERSARY**, the classic bestseller, redesigned for a new generation.

The sensational national bestseller that turns the spotlight on one of the most influential and controversial figures of American culture. Filled with previously undisclosed facts about the lives and loves of the rich, famous, and fabulous, Warhol's journal is the original gossip magazine and endlessly fun and fascinating.

Spanning the mid-1970s until just a few days before his death, THE ANDY WARHOL DIARIES condenses his over 20,000-page diary, which Warhol dictated daily to his longtime diarist Pat Hackett. In it, Warhol tells of parties attended, champagne drunk, cabs taken, and tips left. He hangs out with "everybody": Bianca Jagger ("God, she's dumb"), Jackie O ("thinks she's so grand she doesn't even owe it to the public to have another great marriage to somebody big"), Yoko ("We dialed F-U-C-K-Y-O-U and L-O-V-E-Y-O-U to see what happened, we had so much fun"), and "Princess Marina of I guess Greece," along with art world rock stars Jean-Michel Basquiat, Francis Bacon, and Keith Haring.

From THE ANDY WARHOL DIARIES:

TUESDAY, SEPTEMBER 20, 1977: “Watched Stanley Siegel. Brooke Shields didn’t show up so he did a live telephone interview with Sophia Loren, who’s in town at the Pierre. Her English is good now. But you know, seeing her on TV this morning, she’s just...trashy. She said she wouldn’t let her daughter be in a movie like Brooke Shields’s *Pretty Baby*, and I mean didn’t she just fuck her way to the top? Who’s she kidding? She’s so pretentious. I’m supposed to see her on Thursday.”

TUESDAY, NOVEMBER 14, 1978: “Truman Capote stopped by, he was visiting Bob MacBride in his studio at 33 Union Square. Truman may be on Lithium, because suddenly he’s happy. But my real theory is that he went out to Long Island and saw Jack Dunphy and that Jack Dunphy agreed to write *Answered Prayers* for him. And he had the most chic coat on. Courrèges. One big zipper and two zippers for the pockets. He said it was a few years old. But his hands were cold. Which drug is that?”

THURSDAY, JUNE 25, 1981: “Had to sign the Gun painting for Chris Stein. Debbie Harry had given me some hair-removing wax. I am using it all over and it really hurts.”

MONDAY, AUGUST 15, 1983: “Cabbed to meet Jean Michel Basquiat at the workout with Lidija, he was doing it with us (Cab \$5). He’s in love with Paige Powell. Got a call from Pia Zadora who said she wanted a Dollar Sign and she’d take it with her if it fit into her husband’s jet, so they were measuring it. Oh, and one of the Ramones was having brain surgery yesterday because he was kicked in the head on West 10th Street in a fight over some cheap-looking girl.”

SATURDAY, NOVEMBER 15, 1986: “Michael Jackson was coming to his apartment at 3:30 but Stuart got home after 3:30 so he missed him. But now Michael is in town again and he’s wearing a big brown wig and dark glasses, and a white gas mask, so if you see that coming down the street...”
